Help support our mission to build a world free of violence and oppression

Are you a woman-identifying or non-binary feminist with an eye for strategic thinking, fundraising, or supporting survivor-led services and advocacy? The Sexual Assault Centre of Hamilton and Area would like to hear from you!

We know feminism has its own history of excluding marginalized voices and we at SACHA want to work against this grain to build a stronger collective that truly represents our communities. As such, we would like to encourage women and non-binary persons who are Indigenous, Black, racialized, immigrant, refugee, two-spirit, trans, queer, working class, disabled, or experiencing other forms of oppression to apply.

Previous board experience or background in social services is not necessary.

Here are some of the skills we are looking for:

- Commitment to SACHA's vision and mission
- An understanding of why ending all forms of oppression is necessary to end sexual violence
- Experience or interest in leadership, strategic planning, facilitation, governance and/or policy
- A sense of humour and enjoyment of potlucks and dance parties (some of SACHA's favourite pastimes)!
- Strong community involvement or awareness

Applicants with the following skills are also encouraged to apply:

- Experience with budgets, fundraising, and/or a business background
- Legal expertise, particularly in the not-for-profit sector

OR

- Experience with grassroots and community-based organizing

Ending sexual violence is tough and challenging, but being part of SACHA is a way to break our isolation and find joyfulness doing the work together.

Find out more or to download the application at www.sacha.ca/volunteer. Applicants must be 18 years+. There is no deadline to apply, and we'll do our best to get back to you in a timely manner as applications come in. Please feel free to contact us with any questions or concerns.

We look forward to hearing from you!
